Prepaid Goes Pink: Fight Breast Cancer with the Pink ACE Elite™ Visa® Prepaid Debit Card

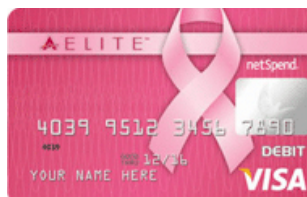

Posted by [Stephany Tan](#) | August 13th, 2012 | [General Information](#)

ACE Cash Express and fellow leading prepaid debit card provider NetSpend have partnered up to produce the Pink ACE Elite™ Visa® Prepaid Debit Card, one of the latest cards to support the fight against breast cancer.

Turn Everyday Purchases into Extraordinary Giving

Giving back doesn't cost a single cent – at least, not more than you'd normally spend on your everyday purchases. Simply use your card when you need to, and a portion of your expenses will automatically go to help the National Breast Cancer Foundation with research and awareness efforts.

Since 2006, ACE has helped the National Breast Cancer Foundation raise over \$2 million. Now is your chance to join the cause and contribute in your own way. Simply apply for the Pink ACE Elite™ Visa® Prepaid Debit Card – no credit check required – and you'll know that your everyday spending is going towards a greater goal.

Elite Card Benefits

Speaking of goals: Your financial goals may be developing and you need a no fuss, no obligation card to get you where you want to be. If you're looking for an alternative to credit cards and traditional checking accounts, a prepaid debit card may give you a boost towards greater financial freedom.

The Pink ACE Elite™ Visa® Prepaid Debit Card, which is issued by MetaBank, presents a special choice because not only do your transactions benefit breast cancer research, but you'll get special "elite" benefits as well when you participate in the **free direct deposit service**.

- **Faster access to your money:** Get your funds up to two days faster when you take advantage of free direct deposit to your prepaid debit account. Avoid yet another late bill payment and have your paycheck direct deposited so you can get to your money faster.
- **\$5 FeeAdvantage™ Plan:** When you set up a direct deposit of at least \$500 in one month, you'll qualify for the special \$5 FeeAdvantage™ Plan, which lets you make unlimited purchases every month for a low rate.
- **\$10 Purchase Cushion:** Get up to \$10 when you direct deposit \$500 in one month. There's no hidden fee involved with this one-time offer – you'll receive \$10 for your next purchase once you arrange for the qualifying direct deposit.
- **Free Cash Withdrawals:** If you're already getting a steady paycheck, make sure to set up direct deposit, if only to avoid withdrawal fees. As long as you direct deposit funds every month, you won't have to pay any cash withdrawal fees at ACE Cash Express locations. You shouldn't have to pay just to access your money, so this no-fee withdrawal service is a must to prevent a bunch of little fees adding up to a whopping number.

The Prepaid Debit Card You'll Be Proud to Carry

The Pink ACE Elite™ Visa® Prepaid Debit Card also comes with the reputation of an **authentic Visa card**, and your money is **FDIC-insured**. You can even opt to take part in a **rewards program**. But knowing that your card membership will help support the National Breast Cancer Foundation is rewarding enough – just like a rewards program, every purchase counts!

You're already aiming to do some good with your financial life; why not pair your goals with a greater cause and make your next card the Pink ACE Elite™ Visa® Prepaid Debit Card? There's no credit check, no application fee, no minimum balance, and no obligation, so what you get out of the card is what you're able to put in.
